Titanium™ Series Headphone

HPK-1020

THE SIGHTS & SOUNDS OF EDUCATION

Help optimize differentiated student learning experiences with this Titanium series headphone.

85dB switch built into earcup

- Softer, more comfortable ear cushions
- Comfort strap for longer wearability
- Adjustable headstrap rugged enough for daily classroom use
- Earcups offer the highest passive ambient noise rejection, effectively blocking external distractions to keep students on task
- Detachable 6' cord is thicker than previous models
- In-line volume control
- Sentinel switch on earcup restricts the volume to 85dB. LED light is earcup is green when the cord is plugged into the computer and red when the feature is active
- 3.5mm plug with 1/4" adapter
- Protective slotted baffles guard against perforation of the speakers

Please contact us immediately if you experience any difficulties with your Headphone. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.

Visit our website to register your product and to learn more about the complete line of *Califone*® audio enhancing and visual technology products including: Wired and Wireless public address systems and lecterns, wireless microphones, headphones & headsets, group listening centers, multimedia players, computer peripheral products and installed classroom infrared systems.

We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.

This headphone carries a one year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools. It has service support available through authorized dealers nationwide.
